

COLOUR IN THE BEACH FLAGS

Danger,
no swimming.

Shows the direction of wind. Off shore
winds can sweep you out to
sea and make it difficult
to return to shore.

Lifeguard on duty –
always swim between
the flags.

Safe for boats
and water crafts only.
No Swimming.

Dangerous marine life has
been spotted e.g. sharks,
jellyfish etc.

The water is calm. This doesn't make the water
safe; you must still be careful and look for areas
where a lifeguard is present.
